Glossary

SEO Optimized Website
A website designed to improve visibility on search engines.

Responsive Website
A website that adapts seamlessly to all screen sizes.

Keyword Research
The process of identifying search terms people use online.

On-Page SEO
Improving page content and structure to rank higher in search.

Google My Business
A profile that helps businesses appear in local Google searches.

Technical SEO
Improving technical elements to help search engines crawl websites.

Backlinks
Links from other websites pointing to your website pages.

Social Media Strategy
A planned approach to grow brand presence on social platforms.

Competitor Analysis
Studying competitor performance to identify gaps and growth opportunities.

Posts
Individual pieces of content shared on social media platforms.

Reels
Short, engaging videos shared on social media platforms for reach.

Web Profiles
Online profiles representing a person, brand, or business digitally.

PPC Advertising
Paid online ads to Meta and Google where advertisers pay per user click.

Accessibility
Ensuring digital content is usable by people with disabilities.

Campaigns
Planned marketing efforts to promote products, services, or brand.

Email Signatures
A personalized block of information automatically added to emails.

Newsletter
A regularly sent email sharing news, updates, or promotions.

SLA (Service Level Agreement)
A formal agreement defining service expectations and performance standards.
